All our wholesale rates on mohair are available to all our customers. Mixed wholesale prices are available starting at 2 meters Consisting of a minimum of 1/4m pieces. (1/8's and 1/6's do not apply)

??? HOW MUCH FABRIC DO I NEED ???

So you have decided on the fabric you like but you're not sure what size piece you need. This table will give you a guide as to the fabric needed for the most bear patterns .

BEAR SIZE	APPROX FABRIC SIZE
15cm to 18cm (6" to 7")	25cm x 35cm 1/16th metre
25cm to 30cm (10" to 12")	50cm x 35cm Fat 1/8th metre

BEAR SIZE	APPROX FABRIC SIZE
38cm to 41cm (15" to 16")	50cm x 70cm Fat 1/4 metre
51cm to 56cm (20" to 22")	50cm x 140cm 1/2 metre

MOHAIR FABRIC DIMENSIONS

SIZE OF CUT PIECES

1/16 metre

Approx. 25cm x 33cm (i.e. fat 1/16th metre)

1/8 metre

Approx. 50cm x 34cm (i.e. fat 1/8 metre)

1/4 metre

Approx. 50cm x 71cm (i.e. fat 1/4 metre)

1/2 metre

Approx. 50cm x 142cm

FAT 1/4 METRE

To enable you to get the most from your 1/4 metre fabric purchase, we cut 'fat' 1/4 metre pieces- i.e. 50cm (1/2 metre) tall by 70cm wide. (1/2 the roll width). A fat 1/4 metre has the same surface area as a normal 25cm x 142cm piece (1/4 metre) but is much more economical to use.

FAT 1/8 METRE

A fat 1/4 metre cut in half creates a fat 1/8 metre- ie approx. 35cm x 50cm. Our 1/8 metre pieces are all Fat 1/8's.
